DocketPORT.com is your official source for the entire DocketPORT line of products.

The next generation of personal productivity.

The DocketPORT 687 scans media at up to 600 dpi and its compact footprint fits in any office workstation. It can scan both sides of ID cards, driver's licenses, and embossed credit cards in one pass. This duplex scanner is USB powered so it will run off a desktop or laptop computer. Included software makes it easy to scan images into PDF, JPEG and TIFF file formats.

The DocketPORT 687 comes with a limited one year warranty and is durable and reliable for environments that demand high volume scanning.
